

## OILGAS TRANSMISSION TM-4/5 SAE 75W-90

*Universal synthetic multi-grade transmission oil API GL-4/5 performance level*

OILGAS TRANSMISSION TM-4/5 SAE 75W-90 is universal multi-grade synthetic gear oil for highly loaded manual gear boxes and transmissions. The product is manufactured with involvement of modern hydro-synthetic base oils and highperformance additive package what improves operational properties.

### Application

OILGAS TRANSMISSION TM-4/5 SAE 75W-90 is designed for manual gear boxes and axels of trucks, buses, special and agricultural machineries and etc., where API GL-4 and API GL-5 performance levels are required.

### Benefits

- High anti-wear properties
- Extended and reliable operation of transmission units under high loadings and in a wide range of temperatures
- High resistance to corrosion and foaming
- Excellent oxidative-thermal stability
- Excellent viscosity-temperature properties in a wide range of ambient temperatures
- Smooth shifting in winter season

Meets requirements	
API GL-4/5	MT-1

### Typical test data

### OILGAS TRANSMISSION TM-4/5 SAE 75W-90

Property	Test methods	Value
Viscosity index	ASTM D2270	202
Kinematic viscosity at 100 °C, mm <sup>2</sup> /s	ASTM D445	15,12
Brookfield Viscosity at -40 °C, mPa·s G	ASTM D2983	25,99
Flash point, °C	ASTM D92	202
Pour Point, °C	ASTM D 97/ SR 13552	- 46
