

OILGAS TRANSMISSION TM-5 SAE 80W-90

High quality API GL-5 gear oil

OILGAS TRANSMISSION TM-5 SAE 80W-90 is a multi-grade mineral gear oil for manual transmissions of passenger cars, commercial vehicles and other mobile equipment where API GL-5 oils are recommended. OILGAS TRANSMISSION TM-5 SAE 80W-90 is based on highly refined mineral oils blended with robust additive package with excellent antiwear and EP properties.

Application

OILGAS TRANSMISSION TM-5 SAE 80W-90 is recommended for use in axles with spur, spiral bevel, and hypoid gears of passenger cars, commercial vehicles and off-highway equipment.

OILGAS TRANSMISSION TM-5 SAE 80W-90 is approved for drive axles of BelAZ dump trucks of 30-90 MT carrying capacity, operating in mild warm climate.

Warning!: This oil is not recommended for use in manual gearboxes with brass synchronizers.
